We arrange for the tables to be covered with real linens (not included in price).
Food buffet will be setup with chafing dishes along with the needed serving utensils. Based on the customer's desires,
the hall can be decorated with flowers, greenery, table center pieces, etc.
Two or more experienced staff members will setup the food, beverages, coffee and
dessert tables. They will stay throughout the party to serve guests with drinks, maintain
the food & beverage area, and finally cleanup after the event.
